Dear Sir:

On October 9, 2003 the above referenced patent application was hand delivered, by our agent, to the USPTO Technology Center for filing as evidenced by the "Received" stamp applied to our "Transmittal Of Patent Application" letter a copy of which is enclosed.

As of this date we have received no Official Filing Receipt from the USPTO. Upon having our agent personally check with the UPTO Technology Center we are informed that the USPTO has apparently misplaced the application.

The request for acknowledgement is also date stamped as "Received" on October 9, 2003 by the Technology Center. No acknowledgement of the petition has been received. A copy of the acknowledgement request is also enclosed.

Please advise on the status of the referenced utility patent application and/or serial number and official filing date.

Respectfully,
